

HUIZENGA SCHOOL OF BUSINESS PROGRAM TIP SHEETS

Revised
01.09.13

MASTER OF ACCOUNTING

DELIVERY MODALITIES

Online:

- Foundation courses are only offered online, with the exception of ACTP 5001 (offered main campus and online).
- Core and elective classes are all offered online.
- Online classes have 5 mandatory chat sessions
 - *Students should be directed to the Graduate Module in HSPortal for chat dates and times. This is very important so that students do not register for conflicting courses.*
- Online courses are offered in Blackboard for a duration of 10 weeks

Weekend Main Campus:

- Core and elective classes are all offered on the main campus, weekend format only.
- Courses meet Fridays and Saturdays in an early or late time slot every other weekend for a total of five weekends during sequence I
- ACTP 5001 can be taken at the main campus all other foundation courses must be taken online.

FOUNDATION COURSE EQUIVALENCIES

Graduate Level	NSU Undergraduate Level
ACTP 5001	ACT 2200
ACTP 5004	ACT 3030
ACTP 5006	ACT 3050
ACTP 5007	ACT3060
ACTP 5008	ACT 3070
ACTP 5009	ACT 4010
ACTP 5010	ACT 4210

- Students wishing to register for undergraduate courses at NSU will require an undergraduate non-degree seeking learner record in order to register for courses. This record will be applied to Banner by the Academic Advisor. Undergraduate application and registration deadline date apply.
- Undergraduate classes run for a duration of 16 weeks
- Please refer to:
 - Application Deadlines per term
<http://www.nova.edu/admissions/application-deadlines.html>

- Registration Deadlines per term
<http://www.fcas.nova.edu/services/calendars/index.cfm>

SEQUENCE OF COURSE OFFERINGS

- Online MACC courses are offered every other term; Fall & Spring or Winter & Summer
- All other MACC courses are offered online twice in an 18 month period (about every 3 terms)
- Weekend Main Campus MACC classes are offered twice in an 18 month period (about every 3 terms)

CURRICULA INFORMATION

- 21 credits of foundation courses may be needed (depending on transcript evaluation)
- ACTP 5711 is needed before or with the student's first online class, effective Winter 2013 (201330) prerequisite overrides for online classes are no longer needed. Online classes are set up to accept concurrent enrollment with ACTP 5711.
- ACTP 5712 may or may not be needed (depending on the transcript evaluation)
- See CPA checklist on the HS Portal for list for those students who indicate that they would like to seek CPA licensure in the state of Florida
- Students can pursue a non-credit internship for personal/professional enrichment purposes.
- In order to pursue an internship, student must have completed 18 credit hours and be in good academic standing
- Full details about the internship can be viewed in HS Portal via the link in the My Classes module.
- Online & Weekend: 6 credits if considered full time for financial aid eligibility

COURSE SUBSTITUTIONS

- A transcript evaluation is completed by the program office regarding replacements & deficiencies for curriculum and state licensing requirements. Notes are placed in Banner for each student. If a student insists on repeating a class they may do so, however the student is responsible for any deficiencies with regards to state licensing.
- Core classes, upon transcript review, may not be required to be taken, but will then be substituted with an elective course.
- Students who currently hold a CPA license may be exempt from the CPA review courses however must replace the classes with elective options. Contact program office for review of CPA license.
 - Upon Program Office receipt of official documentation from a State board, the student passed 1-4 parts of the CPA exam, the student will not have to take the subsequent CPA review course(s).
- ACT 5799 is no longer being offered (was only offered Fall 2011). Students replace this course requirement with a 3 credit elective course, if it is needed in their curriculum.
- Effective Spring 2012 (201240) MGT 5781 and MGT 5782 received a new prefix and the courses are now ACT 5781 and ACT 5782

UNIQUE PROGRAM INFORMATION

- ALL foundation courses must be taken prior to any student taking an ACT core or an ACT elective course. The only exceptions are: TXX 5761, TXX 5762, ACT 5781 and ACT 5782.
- Core classes ACT 5742 and ACT 5744 are 2 credit hour classes. They are not Financial Aid eligible, unless taken with another class
- Students who do not successfully complete ACTP 5711 are dropped by the academic advisor from all online classes with an "XD" code (100%) as the term has already started, except ACTP 5001 (ACTP 5001 is technically an MBA course and doesn't have ACTP 5711 as a pre-requisite). Academic advisor will request attendance verification for the online classes and DD the student if not educational activity has taken place in the class.
- CPA checklist is located under the Graduate program module in the HSPortal.
- CPA requirements are located under the Graduate program module in the HSPortal.

MASTER OF BUSINESS ADMINISTRATION

COMMON PROGRAM CRITERIA

DELIVERY MODALITIES

- Foundation courses are offered in a ten week period at the main campus in the evening format or online
- Core courses are available at all campus locations in a weekend format or online for duration of 10 weeks.
 - Advisors should refer to student's catalog term for applicable core classes.
 - Palm Beach, Orlando, Tampa, Jacksonville, Bahamas focus on offering MBA core classes (i.e., ISM 5014, MGT 5015, MGT 5020, QNT 5040, ECN 5050, ACT 5060, MKT 5070, FIN 5080, and OPS 5095)

FOUNDATION COURSES

- All MBA degrees require the following 5 foundation courses: ACTP 5001, ECNP 5003 (microeconomics), MKTP 5005, FINP 5008 and QNTP 5002.
 - MBA HRM students must also complete HRMP 5200.
- All foundation courses do not need to be completed before graduate level work begins however the specific foundation class must be taken prior to the required class
- Concentration courses should be taken first to avoid any delays in program completion

DAY FORMAT

- Students can pursue a non-credit internship for personal/professional enrichment purposes.
- In order to pursue an internship, student must have completed 18 credit hours and be in good academic standing
- Full details about the internship can be viewed in HS Portal via the link in the My Classes module.
- Day format 9 credits is considered full time for financial aid eligibility
- Students in the day format cannot take a class in the weekend or online formats

with the exception of concentration classes

- Students typically track through the entire program with the same cohort (identified by the section code students' classes are scheduled under each term)
- Concentration courses should be taken first so as not to delay program completion
- Students will complete a 1-credit workshop ISM 5103 and 3 0-credit workshops: MGT 5110, MGT 5111 & MGT 5112
- Students may elect to go part time in this format; if so student should try to follow the grouping of classes to avoid future scheduling conflicts

WEEKEND/ONLINE/EVENING

- Students can pursue a non-credit internship for personal/professional enrichment purposes.
- In order to pursue an internship, student must have completed 18 credit hours and be in good academic standing
- Full details about the internship can be viewed in HS Portal via the link in the My Classes module.
- Online & Weekend 6 credits if considered full time for financial aid eligibility
- Students in the Weekend/Online & Evening formats **cannot** take courses in the day format (tuition will not be assessed to a student account if the student is coded in one of these formats and registers for a day class)

UNIQUE PROGRAM INFORMATION

Effective 201320 the Lead Professor (LP) model was discontinued. Classes that were offered in the LP model were MGT 5015, MGT 5020, ECN 5050, ACT 5060, MKT 5070, FIN 5080, and OPS 5095

ADVANCED CONFLICT RESOLUTION

Effective Fall 2012 (201320) students are no longer being accepted into this program. Continuing students in other programs will not have the option to change majors into this program.

DELIVERY MODALITIES FOR CONCENTRATION CLASSES & SEQUENCE OF COURSE OFFERINGS

Course	Modality	Term

 - Students are not permitted to register for concentration courses in the summer term (xxxx50)

COURSE SUBSTITUTIONS

Not applicable

UNIQUE PROGRAM INFORMATION

- Tuition and refund policy for concentration classes will follow the GSCIS program
- Registration for concentration classes will follow the GSCIS program, CRNs can be found via GSCIS website <http://www.scis.nova.edu>
- Effective 201320 new students are only eligible to receive alumni and military discounts toward the concentration courses. Corporate discounts will only apply towards HSBE core classes.
- Students who started the MBA BIA program 201310 and prior are eligible for all HSBE awards and a 10% award towards concentration classes.

ENTREPRENEURSHIP

DELIVERY MODALITIES FOR CONCENTRATION CLASSES & SEQUENCE OF COURSE OFFERINGS

Effective Winter 201330 the anticipated schedule for the remainder of the 201320 – 201410 academic school year is as follows:

Course	Modality	Term
MGT 5940	Main Campus Weekend	Fall & Summer
MKT 5955	Main Campus Weekend	Winter & Summer
ENT 5960	Main Campus Weekend	Fall & Spring
FIN 5970	Main Campus Weekend	Winter & Summer
ENT 5990	Main Campus Weekend	Winter & Summer
ENT 5980*	Main Campus Weekend	Fall & Spring
ENT 5981*	Main Campus Weekend	Fall & Spring

Effective Fall 2013 (201420) course offerings will be expanded from Weekend into a combination of Weekend and Weeknight offerings.

Course	Modality	Term
MGT 5940	Main Campus Weekend	Winter & Summer
MGT 5940	Main Campus Weeknight	Fall
MKT 5955	Main Campus Weekend	Summer
MKT 5955	Main Campus Weeknight	Winter
ENT 5960	Main Campus Weekend	Fall & Spring
ENT 5960	Main Campus Weeknight	Fall
FIN 5970	Main Campus Weekend	Summer
FIN 5970	Main Campus Weeknight	Winter
ENT 5990	Main Campus Weekend	Fall & Winter
ENT 5990	Main Campus Weeknight	Summer
ENT 5980*	Main Campus Weekend	Fall
ENT 5980*	Main Campus Weeknight	Spring

ENT 5981*	Main Campus Weekend	Fall
ENT 5981*	Main Campus Weeknight	Spring

- Concentration courses are offered only during sequence II in the weekend format at the main campus
- Concentration courses should be taken first to avoid any delays in program completion
- 4 distinctive catalog terms be taught, refer to catalog for specific curriculum requirements: 2009-2010 & prior — 2010-2011 — 2011-2012 — 2012-2013

COURSE SUBSTITUTIONS

- Effective Fall 2012 (201320) MKT 5955 replaces MKT 5017
 - Effective Fall 2010 (201120) MKT 5017 replaces MKT 5950
- Effective Winter 2013 FIN 5970 returned to the curriculum and replaces FIN 5080E
 - Effective Fall 2012 (201320) FIN 5080E replaces FIN 5970
- Effective Winter 2013 MGT 5940 returned to the curriculum and replaces MGT 5015E
 - Effective Fall 2012 (201320) MGT 5015E replaces MGT 5940

UNIQUE PROGRAM INFORMATION

- ENT 5980 (3 credits) & ENT5981 (4 credits) will be offered at the same time, the classes will be cross listed in Banner. Review student's catalog term to confirm which course is required.
- ENT 5980/5981 is financial aid eligible
- MGT 5102 is not financial aid eligible

FINANCE

Contingent Upon Internship

Every Term

Miramar, Fort Myers & Corporate Clusters

SECs offer the program in a locked-step format, teaching two courses every term with the expectation that students who fall out of synch with their cluster will need to catch up via online courses or course at other HSBE locations.

 Assuming a Summer and Winter start

Kendall

This SEC does not offer every concentration course every term, but instead they are offered every other term.

COURSE SUBSTITUTIONS

Day students may complete MGT 5108 or MGT 5104 as their capstone requirement.

UNIQUE PROGRAM INFORMATION

- Used to be the Master of Business Administration (MBA) program
- Some students may be coded without a concentration
- MGT 5102 is not financial aid eligible
 - Information regarding accommodations and parking for students attending capstone can be found in the HSPortal.
 - HSPortal → Graduate Module → Workshops
- MGT 5104 is not financial aid eligible if taken on its own. Day students are permitted to register for this course with the last courses
 - Information regarding accommodations and parking for students attending capstone can be found in the HSPortal.
 - HSPortal → Graduate Module → Workshops
- MGT 5108 requires 18 graduate level credits for consideration

	Miramar & Fort Myers	Fall & Spring 
	Kendall	Fall & Spring

Effective Fall 2013 program format for PIM 5005, SCM 5830, PIM 5010 & PIM 5020 will change to evening main campus and online

COURSE SUBSTITUTIONS

- Effective Summer 2012 (201310) PIM 5005 replaced the option for student to choose either PIM 5030 or PIM 5040. PIM 5030 and PIM 5040 have never been taught.

UNIQUE PROGRAM INFORMATION

- Program was titled Process Improvement Green Belt Track in the 2011-2012 catalog. The program is now referred to as simply Process Improvement.
- Concentration program courses have a onetime start during the academic year, which begins in the fall term.

SALES

Effective Fall 2012 (201320) students are no longer being accepted into this program. Continuing students in other programs will not have the option to change majors into this program. Sales students have been provided with the option to move into the Marketing and Sales Management programs with the consideration given for courses taken or they may elect to select another program of choice without course substitutions.

Effective Winter 2014 (201430) the Supply Chain Management courses will be offered exclusively in the evenings at the main campus and online.

Student with catalog term 201310 and prior and who completed LOG 5010 during the 201310 will follow the sequence outlined below.

Course	Modality	Term
SCM 5830	Weekend Main Campus	Course has been fulfilled
LOG 5010	Weekend Main Campus	Summer 201310
SCM 5840	Weekend Main Campus	Fall 201320
SCM 5850	Weekend Main Campus	Winter 201330
SCM 5870	Weekend Main Campus	Spring 201340

Students with catalog term 201320 or after will follow the sequence outlined below:

Course	Modality	Term
SCM 5830	Weekend Main Campus	Winter
LOG 5010	Weekend Main Campus	Spring
SCM 5850	Weekend Main Campus	Summer
SCM 5840	Weekend Main Campus	Fall
SCM 5870	Weekend Main Campus	Winter

Main campus availability for concentration classes will be offered in the weekend format until Fall 201420. Effective Winter 201430 availability will change to weeknight/evening format at the main campus as opposed to weekend format offerings. Online sections will also be made available starting winter 201430.

COURSE SUBSTITUTIONS

- Effective Fall 201320 SCM 5860 is now replaced by SCM 5870 for all existing curriculums; SCM 5860 was never made available

UNIQUE PROGRAM INFORMATION

- Concentration program courses have a onetime start during the academic year, which begins in the winter term.

MASTER OF INTERNATIONAL BUSINESS

DELIVERY MODALITIES

Online: Courses are all offered online via Blackboard in ten week duration

Weekend: Courses are all offered during the weekend format at the main campus only during sequence I

SEQUENCE OF COURSE OFFERINGS

- INB 5849 is cross listed as INB 5839. They are both offered during the same term and modality.
- INB 5848 (capstone for the program) is offered every term with the exception of summer
- Students finishing their last class in the spring term can take INB 5848 concurrently.
- Yearly Planner is pending update to the website as it has already received faculty chair approval.

CURRICULA INFORMATION

- 5 foundation courses required for program; ACTP 5001, ECNP 5003 (microeconomics or macroeconomics) , MKTP 5005, FINP 5008 and QNTP 5002
- All foundation courses do not need to be completed before graduate level work begins however the specific foundation class must be taken prior to the required class
- INB 5848 capstone materials and syllabus are listed in the HS Portal > Graduate modules
- No materials are mailed – everything is now available electronically, as with other capstones.
- Information regarding accommodations and parking for students attending capstone can be found in the HSPortal.
 - HSPortal → Graduate Module → Workshops
- Capstone is not financial aid eligible

- Students prior to 2010/2011 catalog have the option to complete INB 5819 a for credit internship for the program to replace INB 5830/ SCM 5831/ SCM 5830 taken in the 201240
- Students can pursue a non-credit internship for personal/professional enrichment purposes.
- In order to pursue an internship, student must have completed 18 credit hours and be in good academic standing
- Full details about the internship can be viewed in HS Portal via the link in the My Classes module.
- Online & Weekend: 6 credits if considered full time for financial aid eligibility

COURSE SUBSTITUTIONS

- QNT 5040 replaced HRM 5824 effective 201120
- INB 5807 replaced ECN 5806 effective 201120
- INB 5804 0-credit workshop no longer required effective 201120
- INB 5846 can be taken in place of INB 5848
 - Effective 201320 INB 5846 is now a 3 credit course and students must register for INB 5845 a 1 credit course in the prior semester
- SCM 5831 replaces INB 5830 effective 201320
- ICAFs are to be completed for students who completed SCM 5830 to replace INB 5830 taken in the 201240 term
- ICAFs are to be completed for students who completed ACT 5756 to replace ACT 5809 taken in the 201240 term

UNIQUE PROGRAM INFORMATION

- Only program that allows students to travel internationally
- Information about the trip can be found by visiting <http://www.huizenga.nova.edu/IFS/>

- Effective 201320 INB 5846 is now a 3 credit course and students must register for INB 5845 a 1 credit course in the prior semester
 - Students registering for INB 5845 do not need to add their names to the IFS wait list. Registration is based on a first come first serve basis.
 - Refund schedule for INB 5845 will follow the university drop withdrawal policy
 - Flat fee assessed for INB 5845 is \$1250
 - INB 5845 will have an assignment that will need to be completed and a grade will be awarded. This class is not Pass/Fail
 - INB 5846 is a graded course. The class is not Pass/Fail

- Summer 2012 (201310) and prior INB 5845 was a 0 credit course. Students were to sign-up on the IFS waitlist and receive a course override into INB 5845 in order to register for the workshop class. The workshop is made up of various course sessions that meet to gather information about the trip that will occur in INB 5846.

- INB 5848 is a Pass/Fail course.

MASTER OF SCIENCE HUMAN RESOURCE MANAGEMENT

DELIVERY MODALITIES

Online: Courses are all offered online via Blackboard

Weekend: Courses are all offered on the main campus, weekend format only. HRM courses are offered during sequence 1.

SEQUENCE OF COURSE OFFERINGS

- HRMP 5200 is only offered in the online format every term.
- Courses taught at the main campus will be offered once per academic year.
- Courses that are not part of the HRM concentration/certificate program when offered on ground will not be offered in the online format in the same term.
- MGT 5102 is offered every term and students must complete all other program requirements before registering for the course in the next term
- HRM 5302 will be offered every term online with a fall offering at the main campus
- Yearly Planner in HS Portal is pending updates per faculty chair.

- One foundation course requirement; HRMP 5200
- HRM 5302 requires a \$630 materials and access cost to pay for the testing materials for SHRM Learning Systems Module
- 6 credits is considered full time for financial aid eligibility

COURSE SUBSTITUTIONS

- Students have the option to take HRM 5302 or MGT 5102 as the capstone requirement effective 201220 regardless of catalog term.

UNIQUE PROGRAM INFORMATION

- MGT 5102 Pass/Fail course, one week and is not financial aid eligible
 - Information regarding accommodations and parking for students attending capstone can be found in the HSPortal.
 - HSPortal → Graduate Module → Workshops

- HRM 5302 grade earned, ten weeks and is financial aid eligible
 - HRM 5302 requires a \$630 materials and access cost to pay for the testing materials for SHRM Learning Systems Module which is paid to the NSU bookstore

MASTER OF SCIENCE LEADERSHIP

DELIVERY MODALITIES

Online: Courses are all offered online via Blackboard

Weekend: Courses are all offered on the main campus, Fridays and Saturdays in an early or late time slot every other weekend for a total of five weekends LED courses are offered during sequence II.

SEQUENCE OF COURSE OFFERINGS

Schedule offering for the Fall 2012 (201320) - Summer 2013 (201410) will follow the yearly program planner located at http://www.huizenga.nova.edu/CurrentStudents/YearlyPlanners/Graduate/YP2012_MSL_leadership.cfm

Effective Fall 2013 (201420) course sequencing will be modified. The updated schedule sequence will be posted to the program yearly planner site once the faculty chair has approved the course sequencing.

CURRICULA INFORMATION

- No foundation classes are required for the MS LED program
- Students can pursue a non-credit internship for personal/professional enrichment purposes.
- In order to pursue an internship, student must have completed 18 credit hours and be in good academic standing
- Full details about the internship can be viewed in HS Portal via the link in the My Classes module.
- Online & Weekend: 6 credits if considered full time for financial aid eligibility

COURSE SUBSTITUTIONS

Not applicable

UNIQUE PROGRAM INFORMATION

- LED capstone:

- Only offered once per year in the spring term; 4 day workshop Mon – Thurs.
- Good academic standing is not required to participate in LED 5695
- Capstone not eligible for financial aid, but students can take another class with LED 5695
- Student should bring journal and 360 degree evaluation from LED 5660 when attending LED 5695
- Any student who misplaced the journal or the 360 degree evaluation should contact the professor who taught LED 5660 via email for assistance in retrieving information about the assignments

- Course materials are distributed at the Capstone. There are no “Packets” with this course. Students should refer to the course syllabus for required materials.

- Information regarding accommodations and parking for students attending capstone can be found in the HSPortal.
 - HSPortal → Graduate Module → Workshops

- Program Discount
 - MSLED receive a discounted rate of tuition refer to tuition site for rates
 - Program is eligible for corporate rate code discounts
 - Alumni award cannot be applied to student account

- Certificates
 - Students may not pursue a certificate with the MSLED program

MASTER OF SCIENCE REAL ESTATE DEVELOPMENT

DELIVERY MODALITIES

Weekend:

- Courses are only offered at the main campus in the weekend format
- Courses are held during sequence 1

Evening

- Effective fall 2013 (201420), there be will 2 classes taught in the evening format in addition to the regularly scheduled weekend offerings, classes TBD.

SEQUENCE OF COURSE OFFERINGS

Program is taught in a lock step pattern, students who miss or fail a course will severely delay pro-gram completion.

CURRICULA INFORMATION

6 credits is considered full time for financial aid eligibility

COURSE SUBSTITUTIONS

- REE 5890 (3 credit course) replaces REE 5876 (2 credit course)* effective fall 2010 (201120)
 - *Please review the number of credits that a student must complete to earn the degree, students should not have a decreased value in credits nor should there be an increase in the value of credits needed to earn the degree.
 - *If a student needs to retake a course in which the credit values have changed please follow up with program office as this has impacts on included excludes and academic standing.
- REE 5892 (2 credit course) replaces REE 5877 (3 credit course)* effective fall 2010 (201120)
 - *Please review the number of credits that a student must complete to earn the degree, students should not have a decreased value in credits nor should there be an increase in the value of credits needed to earn the degree.
 - *If a student needs to retake a course in which the credit values have changed please follow up with program office as this has impacts on included excludes and academic standing.

- REE 5894 replaces REE 5883 effective fall 2010 (201120)
- REE 5896 replaces REE 5886 effective fall 2010 (201120)
- REE 5897 (2 credits), REE 5898 (2 credits), and REE 5899 (0 credits) replaces REE 5888 (4 credits) effective fall 2011 (201220)

UNIQUE PROGRAM INFORMATION

- Advisor holds are placed on the student records regardless of academic standing. Students must register with an academic advisor in order to be registered for predetermined classes.
- Program start only occurs in the fall term and is contingent on the number of students who can begin with each start as well as administrative approval.
- Foundation courses are no longer required as part of the admission criteria; students may begin the MS RED program with outstanding foundation class requirements.
- Students must go through interview process and complete an essay for consideration into the program
- Active students who would like to change to this major do not have to complete a new application however they must follow admission criteria (interview with committee, essay etc., please contact a recruiter to assist the student with this process). Students accepted into the program after this process will need an advisor to update the record.
- Students attend the ULI conference as part of the capstone requirements (REE 5899 previously called REE 5888). ULI trip is a 0 credit course with no associated tuition. Only offered in fall term.
 - Students are required to pay all out of pocket expenses including air fare, conference registration fee, hotel cost, transportation, food etc.
 - Questions regarding ULI will be directed to the Interim Director of the MS RED program Michael Maxwell
- REE 5897 is currently under discussion for a lab fee for the Argus Software (\$550) decision pending.
- Effective Fall 2012 (201320) MS RED orientation is no longer provided to students

MASTER OF PUBLIC ADMINISTRATION

DELIVERY MODALITIES

Online: Courses are all offered online via Blackboard

Weekend: Courses are all offered at the main campus in the weekend format.
PUB courses are offered during sequence II

SEQUENCE OF COURSE OFFERINGS

- Course sequence is currently pending review and approval from program chair. Once approved the yearly program planner will be updated.

CURRICULA INFORMATION

- 3 foundation course requirements; ACPT 5001, QNTP 5002 & POLS 1010
- Students will begin the course work for their capstone course at least 6 weeks prior to the start of the capstone course. Student will need to access HSPortal to retrieve the course workbook which contains the listing of assignments and the syllabus to be prepared for the class.
 - HS Portal > Graduate modules – PUB 5402.
- Students will not be permitted to attend the capstone if their pre-course work is not submitted by the Friday prior to the start of the capstone.
- Information regarding accommodations and parking for students attending capstone can be found in the HSPortal.
 - HSPortal → Graduate Module → Workshops
- All MPA classes must be completed before a student is eligible to take the capstone, in the next term.
- Students can pursue a non-credit internship for personal/professional enrichment purposes.
- In order to pursue an internship, student must have completed 18 credit hours and be in good academic standing
- Full details about the internship can be viewed in HS Portal via the link in the My Classes module.
- Online & Weekend: 6 credits if considered full time for financial aid eligibility

COURSE SUBSTITUTIONS

Should a student have a course that was taken 2007 and prior please contact the program office if the class is no longer part of the current curriculum.

UNIQUE PROGRAM INFORMATION

- The MPA capstone is offered every term, usually only one week is on the schedule, which accommodates all eligible students
- Government foundation class (POLS 1010) can be satisfied by 5+ years work experience at a government agency. Student should provide information regarding the duration of their employment with the organization they are employed by (i.e. letter from employer). Further documentation may be required for clarification of the position. Documentation should be submitted to the faculty chair for review.
- POLS 1010 is offered through the Undergraduate school and is not eligible for financial aid; students can take a pre-approved government class at another school or take a CLEP test
- Refer to rate code sheet for government employee discounts based on start term.

MASTER OF TAXATION

DELIVERY MODALITIES

Online:

- Core and elective classes are all offered online.
- Online classes have 5 mandatory chat sessions
 - *Students should be directed to the Graduate Module in HSPortal for chat dates and times. This is very important so that students do not register for conflicting courses.*
- Online courses are offered in Blackboard for a duration of 10 weeks

Weekend:

- Core and elective classes are all offered on the main campus, weekend format only.
- Courses meet Fridays and Saturdays in an early or late time slot every other weekend for a total of five weekends on sequence II

SEQUENCE OF COURSE OFFERINGS

- TXX 5761 & TXX 5762 are offered online every term
- All other TXX courses are offered online twice in an 18 month period (about every 3 terms)
- Weekend Main Campus TXX classes are offered twice in an 18 month period (about every 3 terms)

CURRICULA INFORMATION

- 1 zero credit workshop (ACTP 5711) is needed if online classes are to be taken
 - ACTP 5711 is needed before or with the student's first online class and must be passed to remain in the online classes for the term.
- Online & Weekend: 6 credits if considered full time for financial aid eligibility
- Students can pursue a non-credit internship for personal/professional enrichment purposes.
- In order to pursue an internship, student must have completed 18 credit hours and be in good academic standing

- Full details about the internship can be viewed in HS Portal via the link in the My Classes module.

COURSE SUBSTITUTIONS

- A transcript evaluation is completed by the program office regarding replacements & deficiencies for curriculum. Notes are placed in Banner for each student. If a student insists on repeating a class they may do so, however the student will no longer have the option to select elective courses for the program.
- Core classes, upon transcript review, may not be required to be taken, but will then be substituted with an elective course.

UNIQUE PROGRAM INFORMATION

- All transcripts are evaluated by the Office of Program Management for MTAX to determine the courses that a student will need to complete for the program. Notations will be added to SPACMNT by the program manager.
- Students who do not successfully complete ACTP 5711 are dropped by the academic advisor from all online classes with an “XD” code (100%) as the term has already started, except ACTP 5001 (ACTP 5001 is technically an MBA course and doesn’t have ACTP 5711 as a pre-requisite). Academic advisor will request attendance verification for the online classes and DD the student if not educational activity has taken place in the class.

CERTIFICATE PROGRAMS

ADVANCED CONFLICT RESOLUTION

Students wishing to pursue the certificate in Advanced Conflict Resolution should consult with the School of Humanities and Social Sciences (SHSS). Huizenga School discounts are not available for students pursuing this certificate.

BUSINESS INTELLIGENCE/ANALYTICS

Students wishing to pursue the certificate in Business Intelligence/Analytics should consult with the Graduate School of Computer and Information Sciences (GSCIS). Huizenga School discounts are not available for students pursuing this certificate.

ENTREPRENEURSHIP

DELIVERY MODALITIES

Effective Winter 201330 the anticipated schedule for the remainder of the 201320 – 201410 academic school year is as follows:

Course	Modality	Term

UNIQUE PROGRAM INFORMATION

- Concentration program courses have a onetime start during the academic year, which begins in the fall term.
- Process Improvement Green Belt Track was available in the 2011-2012 catalog. The program is now referred to as simply Process Improvement. The certificate program cannot be declared by continuing students.
- Process Improvement Black Belt Track was also discontinued in the Spring 201240 term. No students pursued this program.
- Effective Fall 201320 the Process Improvement Certificate is a financial aid eligible program.

SALES

Effective Fall 2012 (201320) students are no longer being accepted into this program. Continuing students in other programs will not have the option to change majors into this program. Sales students have been provided with the option to move into the Marketing and Sales Management programs with the consideration given for courses taken or they may elect to select another program of choice without course substitutions.
